A note from the Chairman:

IMAA is a grassroots organization, funded only by our members' annual dues. We have intentionally tried to keep our dues low so we can capture a majority of firms in the profession. However, we understand that this is a particularly difficult year, and some firms who want to join the IMAA may be hard-pressed to allot budgetary resources to a new expense. In an attempt to be inclusive, IMAA may make deferrals of dues upon request. Please contact me personally at (212) 920-3480 if you would like to discuss such an arrangement. – Ken

Annual dues are payable in advance and become effective upon acceptance to the IMAA. In subsequent years, dues are payable on the anniversary of initial acceptance date, or the first regular business day thereafter.

Since IMAA has been incorporated as a Section 501(c)6 trade association (pending IRS approval), membership dues are tax-deductible as a business expense.
